Here's the Deal:

One (1) copy of the latest edition of the Texas Accessibility Standards will be shipped **free of charge** to each person making a first time plan review submittal or request for final inspection, where required by Texas Architectural Barriers Law. There is no limit to the number of new persons eligible for this offer; For instance, if there are multiple persons at the same design or construction firm charged with issuing plans or obtaining a final inspection, each such person making a first time plan review submittal or request for final inspection, will be eligible for this offer. Each person is considered a separate client. The value of each publication is \$20.00.

To make your first submittal to Texas Access, visit www.TexasAccess.com, or call 1+ (800) 880-6986.
